

Topic of the Month - Transition Training

Teaching Points: Discuss the benefits of transition training. Note the higher rate of fatal accidents in amateur-built and light sport aircraft. Emphasize that pilots need transition when transitioning from low to high & high to low performance aircraft. Provide information getting the most from transition training..

Directions: The meeting will be held in the conference room in the FBO.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
