

Loss of Control - Accident Investigator

This interactive seminar is being presented courtesy of the AOPA Safety Foundation. You play the role of accident investigator analyzing two accidents; one an air ambulance operator and a Cessna 150. Loss of Control plays a large role in both of these case studies.

Directions: FBO Lobby / Cookout at 5:30 prior to the meeting at 6:30.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
