

Columbus FAASTeam presents:

Revised Date - Compliance Philosophy

Background:

FAAs Compliance Philosophy and its relationship to Remedial Training constitute a major cultural change with respect to how the agency goes about ensuring regulatory compliance. It is essential to educate the public on these programs in order to gain trust, increase voluntary disclosure of noncompliance, and address that noncompliance in the most effective manner.

Teaching Points:

Discuss Compliance Philosophy and Remedial Training. Acquaint pilots and mechanics with the benefits of voluntary disclosure and non-punitive corrective actions. Discuss typical compliance action scenarios. Answer questions with respect to Compliance Philosophy and Remedial Training.

Directions: Lane Aviation is located on the right side as you drive toward the terminal on International Gateway. Turn right into Lane Aviation entrance, bear to right of flag pole, enter building with maroon awning (4387) over the door, up the stairs to second floor, room on the left.

NOTE: Doors open at 5:30 P.M., with dinner around 6 P.M. The presentation starts immediately after dinner. A raffle will be held. Meeting sponsor: COPAMA
