

Pilot / Controller Forum

This open forum will be a GREAT review of the CMH Airspace. An Air Traffic Controller will discuss the airspace at the same time allowing for pilot questions. This will be a good opportunity for all pilots with special emphases on CFI's and student pilots.

Directions: The Champaign Aviation Museum is next to the Grimes Field Airport FBO. Classroom in rear of building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
