

## Monthly Meeting of the Columbus Chapter EAA IMC Club (Mastering the Art of Instrument Navigation)

The meeting will feature two problem solving video scenarios. Attendees will be given background information on weather, pilot experience, currency, and the purpose of the two respective cross country flights. Through guided discussion, participants will have the opportunity to address how they would handle the en route situation that develops when the unexpected happens at critical junctures in each flight. An interactive question and answer session will also follow up on two previous EAA/IMC Club meetings.

**Directions:** Go to <http://www.quest-centers.com/> for a map and/or directions to the Quest Conference Center. (The QCC is southeast of the I-71-Polaris Parkway Exchange). Enter at the Main Entrance, you will be directed to the meeting room.
