

## Monthly meeting of the Columbus Chapter EAA IMC Club (Mastering the Art of Instrument Navigation)

After viewing an engaging video, a panel consisting of two CFIs and three instrument-rated pilots will lead a discussion relative to the video. Our all-female team will share personal IMC experiences, individual goals based on that experience, challenges to flight in IMC or near-IMC conditions, and resources that pilots can access to improve their skills. Interactive discussion will follow.

**Directions:** Go to <http://www.quest-centers.com/> for a map and/or directions to the Quest Conference Center. (The QCC is southeast of the I-71-Polaris Parkway Exchange). Enter at the Main Entrance, you will be directed to the meeting room.

### A message from the National FAASafetyTeam Manager
