

CFI Forum - Issues and Best Practices

This presentation will review:

The 4th Quarter FY 2017 Forum asked more than 350 CFIs in 38 venues for input on topics of concern to flight instructors. They were asked to collaborate on site to select best instructional practices associated with each of 5 Topics: Airman Certification Standards Best instructional practices for avoiding Loss of Control events. Best instructional practices for safe operations in the National Airspace System Ranking of common General Aviation accident precursors in order of importance to CFIs Best instructional practices for mitigating each identified precursor General thoughts and observations on current CFI issues.

Directions: The FBO is located on the right as you come into the airport entrance.

A message from the National FAAS Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
