

## Monthly Meeting of Columbus Chapter EAA IMC Club (Mastering the Art of Instrument Navigation)

With an ever-increasing number of aviation-related Apps to consider, IFR/VFR pilots face a dizzying array of choices. Our panel of veteran aviators and instructors will feature a number of popular and emerging Apps that IFR/VFR pilots can use for preflight and en route planning and operations. Attendees will learn about unique features of the App, its utility, cost (if any), and view a demonstration of the App.

**Directions:** Go to <http://www.quest-centers.com/> for a map and/or directions to the Quest Conference Center. (The QCC is southeast of the I-71-Polaris Parkway Exchange). Enter at the Main Entrance, you will be directed to the meeting room.
