

Columbus FAASTeam presents:

TZR / Runway Safety Action Team Meeting

Please RSVP

at: brian.ziegler@midwestatcs.com. Please include the name, organization, phone number and email address of those who will be attending. The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in airside operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us.

Directions: TZR Tower – FBO Lobby
