

FAASTeam presents:

# **IMC Club - Organized Hangar Flying Focused on Aeronautical Decision making**

EAA/IMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real-life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations. You do not have to be an instrument-rated pilot to attend. Membership in the EAA Club is encouraged but not required to participate in this introductory meeting.

**Directions:** Enter in the front door turn right down the hall, right into the meeting room. If flying into Don Scott Airport (The Ohio State University Airport), park on the ramp, either catch a cab or someone would come to get you. Less than 10 minutes away.

#### **A message from the National FAASTeam Manager**

Earn your WINGS to get a chance to win a cash prize. Go to  
[www.mywingsinitiative.org](http://www.mywingsinitiative.org)  
for more info.
