

FAASTeam presents:

# **Service Difficulty Reports - aka Malfunction and Defect Reports and How to Use them**

Service Difficulty Reports are a means of sharing failures, malfunctions and defects on aeronautical products and then this information is publicly available in [faa.gov](http://faa.gov). We will discuss Service Difficulty Reports and how they are managed and able to be referenced for troubleshooting and other uses for this vital information.

This information is crucial to creating safety programs and gives the data required for Airworthiness Directives and other Safety Solutions.

**Directions:** You are invited to a ZoomGov meeting. When: Apr 21, 2022 11:30 AM Eastern Time (US and Canada)

Register in advance for this meeting:
