

Michigan FAAS Team presents:

# Flying in Flat Light & White Out Conditions

Learn the difference between "Flat Light,"  
"White Out," and Self-induced White Out!

**Directions:** We are located in the beige hangar off  
Airport Road on the SouthEast side of Lansing airport.

Select #: GL0941967

Representative PAMELA ANN TOBIN

### **A message from the National FAAS Team Manager**

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
