

Caring for Your Aircraft and Things You Should Know Before that First Flight

Gary Knaggs, FAASTeam Program Manager will lead a discussion on aircraft owner/operator maintenance responsibilities and with a little change in topic, discuss the first flight after amateur built construction, purchase of any aircraft or after long term storage.

Directions: Southwest side of IMT, off Riverhills Road. Follow signs to Kubick Aviation Services, Inc., then signs to the room. See attached map below.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
