

Surprise, Surprise!

The General Aviation Joint Steering Committee feels that improved pilot training in safety risk management, emergency procedures and maneuvers as well as human factors can reduce the number of fatal GA Loss of Control accidents. This is a scenario based, interactive program. following a pilot, his family and some associates conducting routine General Aviation activities

Directions: Seminar will be held in the Village of Sparta FBO building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
