

Threat and Air Management

This program will be presented by Captain Bob Bindus, a senior airline captain with experience in airline flight crew training. It has been taught at a major airline for flight crews. The techniques you will hear in this presentation will likely change the way you interpret risk and will make you a safer pilot.

Directions: Parking is limited. Please carpool if possible.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
