

Indiana Flight Center presents AOPAs Rusty Pilot Program

Life may have gotten in the way, but the dream of flight can be yours again. Returning to the skies is not as difficult as most rusty pilots think. We're inviting you back in the cockpit and will help you get there. Come and participate in a FREE Rusty Pilots program with fellow lapsed pilots.

Directions: The seminar is not located off County Road 6, rather on the southeast side of the airport off of Airport Drive. See the attached map and look for signs to Indiana Flight Center.

A message from the National FAASTeam Manager
