

The FAA New Compliance Philosophy - What Does It Mean for You?

In this AOPA Legal Services Plan panel discussion, you will hear about real world cases from AOPA attorneys and FAA officials. Learn how unintentional violations such as altitude deviations, airspace and runway incursions, and failure to comply with ATC instructions are being handled without enforcement action being taken.

Directions: See posted signs for parking. See link below for complete event information.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
