

Unmanned Aircraft Systems (UAS) 101

The presentation will include an overview of unmanned aircraft systems (UAS), the FAA's authority over UAS, and hobby and recreational operation of UAS.

Directions: The event will be held in the Nature Center near the main gate of the St. Joseph County Fairgrounds. There is no charge for parking, but gate admission is \$10 for adults (includes all-day admission to the fair).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
