

Grand Rapids FSDO FAAS Team presents:

IMC Club Meeting - Mastering the Art of Instrument Navigation

IMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building instrument flying knowledge and skills.

The organization network promotes a safety culture through continued education and believes that safety and proficiency are developed through education and experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals offer informative WINGS presentations. You do not have to be an instrument rated pilot to attend. Membership in the international IMC Club is encouraged but not required. For more information and to attend this event, click the link below and register TODAY!

Directions: To enhance social distancing, this month's meeting will be held in the New Horizons hangar, adjacent to the main terminal building. Turn left after you enter the building.

A message from the National FAASafety Team Manager

Earn your WINGS to get a chance to win a cash prize. Go to www.mywingsinitiative.org for more info.
