

## VMC Club Monthly Meeting

Practice is the stuff of prevention when it comes to avoiding bad outcomes in flying. There is a catch, however: If your practice isn't thought through, it can create exactly the situation you're trying to prevent. If your practice becomes a real life event, you now have little more than your reaction time to pick a strategy that separates a survivable ending from disaster. Plan your practice with the unexpected in mind.

Meeting will be in the Riverview Airport Office common area. Flyers are welcome.
