

VMC Club Monthly Meeting

It really seemed like a sound plan at departure. Now you're hemmed in by clouds above and terrain to all sides. To make matters worse, your weather sources are in complete disagreement as to which airport offers the best chance of finding safe ground before running into a thunderstorm or a hillside. Which option will you choose?

Meeting will be in the Riverview Airport Office common area. Fly-ins are welcome.

A message from the National FAASTeam Manager
