

Aircraft Flight Control Cable Failure

The FAA's Aircraft Maintenance Division has identified "Flight Control Cable Failure" to be an unacceptable risk. This seminar will review mitigation strategies to prevent this type of failure.

IMPORTANT Proceed to South Bend International Airport and **ONLY** park in the **Long Term Parking Lot** otherwise your parking ticket will not be validated. Proceed to the terminal entrance closest to the train station, look for stairs leading to the airport boardroom (located on 2nd level).
