

VMC Club Monthly Meeting

Urgent situations come in all shapes and sizes. Of course, the small-sized people on our airplanes can create these in unexpected (and sudden) ways. No problem, there's an airport nearby. The issue is the two other aircraft in position to land ahead of you—both of whom happen to be gliders.

Meeting will be in the Riverview Airport Office common area. Fly-ins are welcome.

A message from the National FAASTeam Manager
