

# Operation Rain Check - ANDERSON

Operation Rain Check is designed to build pilot confidence while operating in the National Airspace System. Learn information that will improve your cockpit resource management.

**Directions:** Operation Rain Check will be presented in the main hangar, Anderson Municipal Airport (AID). Enter through the main entrance and follow signs to the meeting area.

## A message from the National FAASTeam Manager

Start FAASTeam CFI Workshops any time! Find Workshop #6 in SPANS.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
