If you can not register in advance, please [email](#) us or [call us](#) and let us know you're coming.

**Workshop Fee:**

\$800\* USD (1 attendee/company)

\$700\* USD (2-3\*\* or more attendees/company)

\$600\* USD (4\*\* or more attendees/company)

*Fee includes: Workbook, breakfast, break refreshments and lunch.*

*Fee does not include: Transportation, lodging, and other meals.*

\* Price for registrations [completed](#) by Aug 26th, 2010. Prices increase by \$100USD/person after this date.

\*\* Discount only valid when registrations are submitted at the same time.

**LODGING:** Special room rates have been made available to workshop attendees. Please see the [Hotel Information](#) page for details and booking instructions.

**FAA and JAA:** Special fee arrangements will be made for FAA and JAA employees. Please [email](#) or [call us](#) for more information.

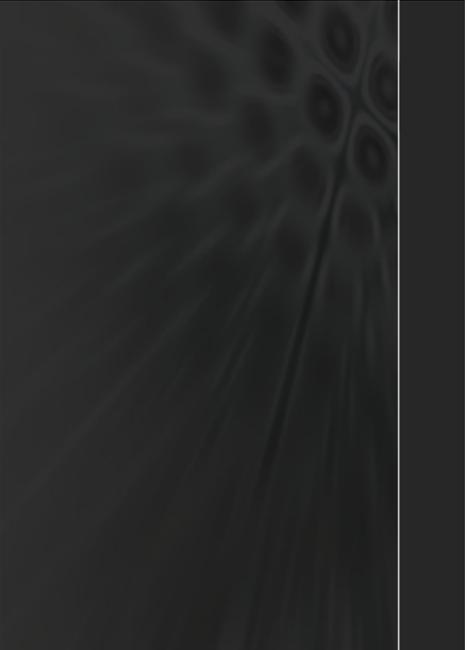

**Attire:** Casual attire is acceptable.

**Language:** The workshop will be conducted in English.

**Refunds and Cancellations:** If you cancel your registration, you will be charged a \$50 USD administrative fee. Cancellations must be made in writing and received at least seven (7) working days prior to the start of the workshop. Cancellations made within seven (7) days of the workshop or "no shows" will be liable for the full fee. Enrollment substitutions may be made at any time.

**Arrival & Location:** The workshop and trade show will be held at the *Hyatt Regency St. Louis at The Arch*.

Workshop check-in will take place Monday, October 25th, from 1:00pm - 5:00pm. Upon check-in you will be issued a ID which will be required for entrance to classes, lunches and breaks. Your classroom materials will be given to you at this time along with classroom location and schedule information.

**Shot Peening Exams:** Optional exams are given to qualified students at the conclusion of classes on October 28, 2010. A "Certificate of Achievement" is awarded to the student upon successful completion of an exam. The exam certificate serves as documentation that a participant was presented and has retained knowledge of the respective exam. Each level of training combined with the appropriate exam is recognized as 8 hours of training toward the FAA's IA and AMT programs. Exam levels include Shot Peening Levels 1, 2, 3, and Flapper Peening. The cost of each exam is \$100 USD. See [Achievement Program page](#) for more details.

Note: Multiple exams can be taken at one workshop, however, time limitations allow limited combinations. These combinations can be selected when registering.

**Recognition:** Students not taking an exam will be mailed a "Certificate of Attendance". This certificate serves as documentation that the participant was registered and checked into the workshop. This certificate does not qualify for FAA award programs.
