

## Airborne Weather Radar by Radar Training International

Eagle Creek Aviation would like to invite you to a Radar Seminar we are hosting here at Eagle Creek on Saturday, March 15. Erik Eliel, president of Radar Training International (RTI), will put on a six hour program that will start at 8:30 A.M. with brief hourly breaks. We will provide a quick lunch and get back to the learning. Erik's program is packed with great information. We have hosted him before and everyone (even some very veteran pilots) raved about what they learned!

**Directions:** The Seminar will be held at Eagle Creek Aviation Services.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
