

Safety Meeting & Airport Cook Out

When properly maintained, propellers are designed to operate safely in high-stress environment for extended periods of time. We will review of recent propeller tip failures and propeller maintenance practices.

Directions: The Safety meeting and cook out will be in the hangar. Dinner starts at 5:00 PM. The first presentation will start at 7:00 PM

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
