

FAA Safety Team Seminar

"Doctoring Maintenance" is based on an actual event which resulted in the fatal accident. It is a learning model to explore the Human Factors failures leading up to the crash. Crew Resource Management will be of benefit to the Single Pilot as well as the Crew.

Directions: This event will be in the OFS Brands Corporate Headquarters, enter through main door.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
