

## AOPA Rusty Pilots - Free Seminar!

Returning to the skies is not as difficult as most rusty pilots think. Sweet Aviation has partnered with AOPA to make it even easier. No FAA checkride or test. You might not even need a medical. Participate in Rusty Pilots and you've fulfilled the ground instruction required of the flight review. We invite you to come and participate in this FREE Rusty Pilot program with fellow lapsed pilots. We will help you understand what's changed in aviation since you last took the controls and brush up on your aviation knowledge. Join us for refreshments, meet some new friends, and rekindle your passion for flying!

**Directions:** This event will be hosted and presented by Sweet Aviation in the terminal building at the Smith Field Airport in Fort Wayne, Indiana.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
