PILOTS**

**GET BACK IN  
THE LEFT SEAT.**

**Date** August 15, 9:00am – 12:00pm

---

**Topic** AOPA Rusty Pilots Seminar

---

**Description** Returning to the skies is not as difficult as most rusty pilots think. Sweet Aviation has partnered with AOPA to make it even easier.

- No FAA checkride or test
- Might not even need a medical
- Participate in Rusty Pilots and you've fulfilled the ground instruction required of the flight review

Come and participate in a FREE Rusty Pilot program with fellow lapsed pilots. We will help you understand what's changed in aviation since you last took the controls and brush up on your aviation knowledge.

Join us for refreshments, meet some new friends, and rekindle your passion for flying!
