

FREE Proficient Pilot Seminar - Winter Flying!

You're invited to bring a family member and/or a friend and join us for a fun, informative evening discussing winter flying. We'll talk about cold weather flight operations as well as discuss some helpful aircraft maintenance tips. Please come prepared to ask questions, offer comments from your own knowledge and experience, enjoy our aviation community and help us devour some tasty pizza! Also, in the interest of the holiday season and our appreciation for another great year, there will be multiple door prizes! We hope to see you here!

Directions: This free safety seminar event will be hosted by Sweet Aviation in the main terminal facility located at the Smith Field Airport in Fort Wayne, Indiana.
