

## Free Proficient Pilot Seminar - Aviation Weather

Please join us for an enjoyable evening here at the airport learning some more about practical weather theory and aviation weather services. Our speaker, Don Sell, is a local aviation weather professional who makes the topic of weather very interesting and practical. So, you're invited to bring a friend and/or family member out for a great night – a free safety seminar, fellowship with aviation community, and delicious pizza! We hope to see you here!

**Directions:** This free safety seminar will be hosted by Sweet Aviation in the main terminal facility located on the Smith Field Airport in Fort Wayne, Indiana.

### A message from the National FAASTeam Manager
