

## EAA Chapter 83 Safety Meeting

Pilot awareness is the key to operations at Non-Towered Airports. Planning ahead and having the ability to work with other pilots in the area of the airport can increase safety of flight for all.

**Directions:** The seminar will be held in the airport restaurant area.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
