

EAA Chapter 256 Presents the AOPA Rusty Pilot Program

Life may have gotten in the way, but the dream of flight can be yours again. Returning to the skies is not as difficult as most rusty pilots think. We're inviting you back in the cockpit and will help you get there. Come and participate in a FREE Rusty Pilots program with fellow lapsed pilots.

Directions: This event will be in Room 157 at the Purdue Niswonger Aviation Technology Building.
