

Airborne Weather Radar Seminar

Montgomery Aviation would like to invite you to a free Radar Seminar we are hosting at Montgomery Aviation on April 2, 2016. Erik Eliel, President of RadarTraining International (RTI), will put on a six hour program that will start at 8:30 A.M. with brief hourly breaks. Montgomery will provide a box lunch and then the seminar will continue. Erik's program is packed with great information. We have hosted him several times and everyone (even veteran pilots) raves about what they have learned!

Directions: The seminar will be held in the Montgomery Aviation Hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
