

## Demonstration of ForeFlight software on the iPad

Mark Beck will cover basic VFR flight planning, briefing, and filing. Ron Dick will go into some of the finer details of IFR applications.

**Directions:** Enter on the north side of the building. The meeting will be held in the first room on the left.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
