

AOPA Rusty Pilots Seminar

Returning to the skies is not as difficult as most rusty pilots think. Sweet Aviation has partnered with AOPA to make it even easier. Come and participate in a FREE Rusty Pilot program with fellow lapsed pilots. We will help you understand what's changed in aviation since you last took the controls and brush up on your aviation knowledge.

This is also a great chance for current and active pilots to brush up on their knowledge and fulfill the ground instruction required of the flight review — FOR FREE!

Join us for refreshments, meet some new friends, and rekindle your passion for flying!

Directions: This free AOPA Rusty Pilots seminar will be hosted and presented by Sweet Aviation in the terminal building at the Smith Field Airport in Fort Wayne, Indiana.
