

ADS B Mandate Requirements for 2020

This course will inform pilots of future ADS-B requirements and mandates. It will also show the benefits of how the system will improve aviation safety and pilot awareness.

Directions: The event will be located in the building directly East of the Tower. The building is labeled as "Subway".

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
