

IMC Club at HUF

Pilot awareness is the key to operations in IMC conditions. Planning ahead and having the ability to prepare for your next instrument flight can increase safety of flight for all.

Directions: The seminar will be held in the airport Board Room, located on the West end of the terminal, upstairs.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
