

VMC/IMC Safety Seminar - Night Flying Scenarios

IMC Club Scenario - "Where are my glasses?" -

On a night IFR final approach, the pilot loses their depth perception. What should they do?

VMC Club Scenario - "Here comes the darkness"

- A pilot planning an early evening VFR cross country has delays and departs late to an unfamiliar farm airstrip. As darkness is falling, the pilot still is 30 minutes out. What should they do?

Directions: You're invited to join us in the main terminal building at the Smith Field Airport, KSMD, in Fort Wayne, Indiana.

A message from the National FAASTeam Manager
