

## Runway Lunch With Fellow Airmen

It's summertime! We are all looking to fly to somewhere fun, get that \$200 burger, go on vacation or just go fly. Our airspace and airports can be a busy and complex area. We must all do our part to practice standard operating procedures in order to ensure safety. Please join us for an informative session regarding these topics and whatever else you would like to discuss. Lunch will be provided by Lift Flight Academy!
