

## Risk Management and Crosswind Correction

Hello fellow aviators! Let's kick off the year right with a risk management and crosswind correction seminar. The goal of this seminar is to better improve your aeronautical decision making as well as a refresher course on crosswind landings! Please ensure you submit an RSVP to save a seat as we have limited seating. We hope to see you all there!

**Directions:** This activity will be held at either the FBO or hangar 5 depending on seating and weather! We hope to see you all there!

### A message from the National FAASafety Team Manager
