

Risk Based Flight Review and WINGS

This program introduces the concept of basing Flight Reviews on risks that pilots run into during normal flight operations. The program also emphasizes the benefits of participating in the FAA WINGS Pilot Proficiency program.

Upon entering the airport from county road 400N you will see a metal building on your left. Parking is in front of the metal building. Enter the front door building, the meeting room will be through the first door on the right.

A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us on Facebook: <https://www.facebook.com/groups/GASafety/>
