This program will also give you some tips on inspection program review and preparation when you are preparing for an inspection or maintenance that might involve Instructions for Continued Airworthiness (ICA's).

Supporting this program will be VFR and IFR Scenarios in which you have to make best decisions of what to do. Students and Instructors are encouraged to attend. Also, there will be Chart Challenge and Mountain Flying Tips.

When entering the terminal building the conference room will be to the left. Parking in front of terminal building. Airplane parking on the ramp.

This will be a two (2) hour seminar on December 16, 2025 from 7pm-9pm. Indiana Time Note: **Tuesday Evening**
