608-266-7347

jeffery.taylor@wisconsin.gov

Woody Minar - Airspace & VFR Minimums; Jeff Taylor - Being current doesn't mean you are proficient; Mark Schreier - Using ATC for Flight Following and what ATC can do for you. Seminar Time: 9:00 AM to Noon Attendance at this seminar qualifies for participation in FAA Wings and AMT awards program

Directions. Custom Fire, Hangar D-1 is on the South side of the Osceola - L.O. Simenstad Airport (OEO) on 68th Avenue. From the Highway M / 243 / 35 intersection at the Dairy Queen in downtown Osceola, go eight-tenths of a mile south on State Highway 35, turn East towards the airport on 68th Avenue at Federated Co-op Country Store. Go East one-tenth of a mile and turn north at the the third driveway. The large hangar is on the left. Parking is available on the ramp or west of the ramp on the grass for those flying in.
