

Wisconsin FAAST Team presents:

WisDOT Aviation Safety Program

Do you have questions about what maintenance pilots can perform on their aircraft? Pat Ripp will discuss the legalities and requirements for working on your own aircraft. Also, are you always ready for takeoff? Learn about techniques you can use to make sure your takeoffs and departures are always safe.

Directions: North on Hwy 39, second hangar on the right (Point Aviation Maintenance Hangar); use west ramp for parking.
