

Great Lakes FAASTeam presents:

# Helicopter Association International/FAA Safety Team Helicopter Presentation

HAI, the nations leader in Rotorcraft Operations will host a combined event for Pilots and Maintenance Technicians for Commercial Operators. The International Helicopter Safety Team (IHST) will present safety information on hazard identification including recent review of rotorcraft accident trends. Topics will include the latest in Safety Management Systems(SMS). Learn about tools that operators can use now to mitigate risks in operations and maintenance practices.

**Directions:** The Hilton Hotel is located near the Mall of America in Bloomington, MN

## A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
