

Wisconsin Light Aviation Safety Seminar

- Registration is FREE.
- Same Day registration for the event begins at 8:00 am.
- All sessions will break for door prize drawings and a stretch.
- Lunch is available "on-site" at a modest cost.
- Wings Credit available

Featured speaker is Michael Goulian
World Aerobatic Champion "Safe flying in a
high risk environment."

Directions: The seminar will be in the Founders Wing
of the EAA Museum.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
