

Aviation Weather in the Upper Midwest

The National Weather Association's Aviation Meteorology Committee invites you to attend this valuable seminar which is specifically designed for pilots who fly in the upper Midwest. Sessions include:

- Local Aviation Weather Impacts Caused by the Great Lakes
- Radar and Satellite Interpretation
- Interpretation and Application of Aviation Weather Forecasts from a Pilot's Perspective

Directions: Wisconsin Aviation General Aviation Terminal.

A message from the National FAASafetyTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
