

Wisconsin FAASTeam and MKE FSDO presents:

Wisconsin AMT Refresher & IA Renewal Seminar

The content of this course has been reviewed and approved by the FAA for Inspection Authorization Renewal; however, the information presented is extremely beneficial to Repair Station personnel, and any Aircraft Maintenance Technician (A&P's).

You must also register with this site to receive automatic Technician Award Program credit for the 2013 year. You will be issued 8 hours credit at the completion of this event. This credit will automatically show up under your Technician Award Program in the "Maintenance Hangar" link, in your account at FAASafety.gov. You can find further information under the "Help" tab in the "Maintenance Hangar".

Directions: Follow I-94 to College Ave Ave. Travel east on College to 13th Street. Turn right onto 13th Street and follow to hotel which will be on your right.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
